Defining User Codes – Panda Keypad

1.  ➤ Grand master code (default = 1234) ✓
1.  to scroll to **Codes/Tags** ➤ press  twice.
2.  to scroll to the user (index number) for defining ➤ press  twice.
3. Enter (or re-enter) a 4–6 digit code  ; the system beeps and ACCEPTED displays

Registering to the RISCO Cloud

Note: Before registering, consult with your Installer to check if you were previously registered:

If you were previously registered:

- a. If you are a RISCO Cloud End-User, accept the invitation sent to your Inbox and then Login to the RISCO Cloud / Web User Application.
- b. If you are not a RISCO Cloud End-User, accept the invitation sent to your Inbox and then follow the instructions to finalize the creation of your account.

If you were not previously registered:

- 1 After the RISCO Cloud has been enabled by your system installer, go to www.riscocloud.com and press **Register**.
- 2 Fill in your **first and last name**.
- 3 Enter your **e-mail address** as the Login Name (required for 1st-time activation).
- 4 Define **password** (minimum of 8 characters, including at least one small case, one upper case and one special character), and then confirm.
- 5 Enter the **15 digits Panel ID** as it appears as printed on the postcard packaged with the main panel. You can also view it on the keypad (see the LightSYS Plus User Manual).
- 6 Complete registration form including Site Name, Time Zone and Equipment ID and then press **Create**.
- 7 To complete the registration procedure, open the e-mail received at the email account you had defined as the Login Name in step 3, and then click the link to activate your registration to the Cloud.

Logging in to the RISCO Cloud / Accessing the Web User Application

- 1 Go to www.riscocloud.com
- 2 Enter your **user name** and **password** (as defined during the registration process).
- 3 Click **Login**.
- 4 Select the Site and then enter the **system PIN code** (user code).
- 5 Click **Login**.

iRISCO Smartphone App

Download the iRISCO Smartphone app from the Apple App store or the Android Play Store.
